list titles & availability - does not  
for any action or have been sent.

Could 3 have not come?

Should have been by air - at least  
first copy sent, which afterwards  
or a report.

Report should have gone to files  
at least 3 weeks ago, might have  
resulted in later shipment.

Shipment by sea took 5 weeks.

Still no reply to 24 July 0 M.
